

Description: Contour Sage Green 20A DP Switch with Neon (Black Insert/Steel Switch)

Part Number: CSG326

Information

|                         |                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Plate Dimensions (mm)   | 85 (W) x 85 (H) x 8 (D)                                                                                                                                      |
| Insert Material         | Polycarbonate                                                                                                                                                |
| Earth Strap             | Mild Steel                                                                                                                                                   |
| Operating Voltage(AC)   | 250V @ 50Hz                                                                                                                                                  |
| Termination Type        | Screw                                                                                                                                                        |
| Warranty                | 10 years                                                                                                                                                     |
| Product Class 1         | Must be earthed                                                                                                                                              |
| Maintenance             | Clean with a soft cloth only. Do not use a cleaning agent of any description.                                                                                |
| Please Note             | Do not use masking tape on this product.                                                                                                                     |
| Style                   | Rounded Profile                                                                                                                                              |
| Plate Material          | Mild Steel, Powder Coated                                                                                                                                    |
| Colour                  | RAL 6021                                                                                                                                                     |
| Switch Material         | Metal                                                                                                                                                        |
| Required back box depth | 25mm                                                                                                                                                         |
| Load Rating             | 20A                                                                                                                                                          |
| Switch type             | Double pole                                                                                                                                                  |
| Terminal Capacity       | 4x 4.0mm <sup>2</sup> , 3x 6.0mm <sup>2</sup> , 1x 16.0mm <sup>2</sup> (L&N) / 3x 2.5mm <sup>2</sup> , 2x 4.0mm <sup>2</sup> , 1x 6.0mm <sup>2</sup> (EARTH) |
