

Technical Datasheet

**Description:** Victorian Polished Chrome USB Charger (Dual USB A + C Quick Charge) (1 Gang/Black Insert)

**Part Number:** VC43B

Information

|                         |                                                                               |
|-------------------------|-------------------------------------------------------------------------------|
| Plate Dimensions (mm)   | 94 (W) x 94 (H) x 9 (D)                                                       |
| Insert Material         | Polycarbonate                                                                 |
| Earth Strap             | Mild Steel                                                                    |
| Operating Voltage(AC)   | 250V @ 50Hz                                                                   |
| Termination Type        | Screw                                                                         |
| Warranty                | 10 years                                                                      |
| Product Class 1         | Must be earthed                                                               |
| Maintenance             | Clean with a soft cloth only. Do not use a cleaning agent of any description. |
| Please Note             | Do not use masking tape on this product.                                      |
| Style                   | Multi Stepped Profile                                                         |
| Plate Material          | Chrome Plated Solid Brass, Hand-finished, Lacquered                           |
| Required back box depth | 25mm                                                                          |
| Load Rating             | 60W                                                                           |
| Standards               | BS EN 62368                                                                   |
| IP Rating               | IP2XD                                                                         |
